Financial Management - Undergraduate Degree

Work Experience

Nova Capital, Data Analyst

Jan '25 – Present

- Designed and implemented an advanced WhatsApp automation workflow using a DigitalOcean droplet, deploying applications such as n8n, Redis, and Evolution API via Dokploy, significantly reducing manual processes and enhancing sales operations efficiency.
- Created a SQL Server Agent Job to automate and optimize complex financial queries, delivering timely data insights for decision-making.
- Built interactive dashboards in Power BI to visualize key financial metrics.

Multi Armazéns, Data Analyst

Ago '22 – Dec '24

- Responsible for collecting and analyzing data from the database.
- Developed and optimized SQL queries to extract relevant information.
- Automated connections with Power Query Online to create Dataflows in Power BI.
- Contributed to data-driven decision-making through reports and visualizations.
- Led an automation project for clients, encompassing data collection from the database, utilizing data intelligence with M and DAX languages and Power Automate, to send inventory information with alerts to clients over email, and also share information through MS SharePoint.
- Automated end-to-end invoice tracking by integrating data pipelines with Power Query Online, M, and DAX, enabling real-time monitoring, client alerts via email and SharePoint.

DBK, Financial Business Process Outsourcing

Nov '21 – Apr '22

- Performed bank reconciliation of six small companies.
- Provided all the support to business partners.
- Worked on accounts payable and receivable daily routine.
- Managed the process of verifying, logging and mailing checks.
- Provided support to the accounting department.
- Managed the company credit cards.

MVL, Financial Assistant

Jan '20 – Sept '21

- Performed the monthly payroll.
- Worked on accounts payable and receivable daily routine.
- Managed the process of verifying, logging and mailing checks.
- Collaborated with the human resources department, helping with the hiring processes.
